About Fortis

Fortis is a leader in the North American regulated electric and gas utility industry with total assets of approximately \$48 billion. The Corporation's 8,000 employees serve utility customers in five Canadian provinces, nine U.S. states and three Caribbean countries. Fortis shares are listed on the Toronto Stock Exchange and New York Stock Exchange and trade under the symbol FTS. Additional information can be accessed at www.fortisinc.com.

About CEA

The Canadian Electricity Association is the national voice for safe, secure and sustainable electricity, promoting it as a key social, economic and environmental enabler that is essential to Canada's prosperity. CEA is proud to represent the companies that generate, transmit and distribute electricity, as well as the manufacturers and suppliers that keep the system on which Canadians rely every day running smoothly.
