About Fortis

Fortis is a leader in the North American electric and gas utility business, with total assets of more than \$25 billion and fiscal 2013 revenue exceeding \$4 billion. Its regulated utilities account for approximately 93% of total assets (53% Canada, 37% United States, and 3% Caribbean) and serve more than 3 million customers across Canada and in the United States and the Caribbean. Fortis owns non-regulated hydroelectric generation assets in Canada, Belize and Upstate New York. The Corporation's non-utility investment is comprised of hotels and commercial real estate in Canada. Fortis Inc. shares are listed on the Toronto Stock Exchange and trade under the symbol FTS.
