FORTIS INC. ANNOUNCES APPOINTMENT OF CHIEF OPERATING OFFICER

Barry Perry, President and Chief Executive Officer of Fortis Inc. ("Fortis" or the "Corporation") (TSX/NYSE: FTS) today announced the appointment of David Hutchens as Chief Operating Officer, Fortis, effective January 1, 2020.

In this newly created role, David's responsibilities will broaden to include operational oversight of the Corporation's ten utilities across Canada, the United States and the Caribbean. The announcement comes as the Corporation implements its largest ever capital program to strengthen its energy networks and deliver cleaner energy.

David will focus on a range of priorities including safety, operational excellence, customer service, sustainability and inclusion to ensure Fortis utilities are at the forefront of industry trends and customer expectations. He will also continue as Chief Executive Officer of UNS Energy Corporation ("UNS Energy") in Arizona. Formerly, Mr. Hutchens held the position of Executive Vice President, Western Utility Operations with Fortis.

"David's industry knowledge and depth of operating, engineering and regulatory experience in both the electric and gas sectors will help us advance our corporate priorities," said Mr. Perry. "We congratulate David on his new role and look forward to his expanded operational guidance and leadership."

Biography-David G. Hutchens

Mr. Hutchens was appointed Executive Vice President, Western Utility Operations with Fortis in January 2018.
